

Your guide to Hazelden's Legal Professional Program rates

Residential Evaluation Program

The program is typically five days and is designed to address the issues surrounding an individual's use of alcohol or other drugs. The evaluation covers psychological issues, spirituality, family relationships, physical health and wellness, social history, and chemical use. In addition to the evaluation assessments, participants engage in one-on-one counseling sessions, group counseling, and educational programs, including an introduction to the Twelve Steps of Alcoholics.

Estimated rate \$6,650

Residential Program

Rate covers room and board, integrated clinical care including individual counseling and group therapy, educational and therapeutic programming, wellness and recreational activities, and one family program registration. All patients are admitted into our medical services unit for evaluation and/or detoxification for at least one day.

Rate \$2,058 – \$2,344 for detoxification
 \$891/day for residential treatment services

Residential Extended Care

Rate covers room and board and integrated clinical care including individualized counseling, specialized group therapy, educational and therapeutic programming, and wellness and recreational activities. These clinical services address longterm recovery and transitional living issues. The typical stay in residential extended care is 60–120 days.

Daily rate \$448

Recovery Management

MORE[®]

MORE is an 18-months of web- and phone-based personalized recovery support program. The program includes access to a licensed addiction recovery coach, learning modules, discussion boards and access to numerous recovery resources.

Program fee Free to Hazelden patients

Hazelden Connection

Rate covers 18 months of recovery coaching and support for participant and up to two family members or concerned persons. The program also includes accountability verification reports and random drug testing.

Program rate: \$9,000 (\$1,000 discount if paid in full up front)

Can be paid in six-month increments:

1st six months	\$4,500
2nd six months	\$3,000
3rd six months	\$1,500

Family Program

Rate includes educational programs and materials. One family program registration is included in the residential primary care treatment program. Additional family members and friends are welcome to register for the program.

Four-day program \$852 per person

Mental Health Services

Services for patients and their family members are integrated into the treatment process and are charged on a fee-for-service basis. Services, such as mental health assessments, individual or group therapy, vary in cost by type and length of service.
